

## Award Winner of 'Best e-Government & Services' for Electronic Preferential Certificate of Origin (ePCO)

Dear Readers

We are pleased to announce that Dagang Net has won the Merit Award for its Electronic Preferential Certificate of Origin or (ePCO) application in the 'Best e-Government & Services' category at the Malaysia MSC APICTA 2009 Awards held on 8 October 2009 at the Putra World Trade Centre.

ePCO is a Web-based Certificate of Origin application and approval system. It is an online document that certifies the country of origin of a particular product, and intended solely to prove the origin of goods in order to satisfy customs or trade requirements.

ePCO is also one of the services of the National Single Window for trade facilitation where Dagang Net has recently been appointed by the Malaysian Government as the service provider responsible for developing, managing and operating the National Single Window.

The merit award was presented to Dagang Net by Tan Sri Halim Ali, Chairman of Multimedia Development Corporation at a ceremony held last night at the Putra World Trade Centre. At the event, Yang Berhormat Datuk Dr. Maximus Johnithy Ongkili, Minister of Science, Technology, and Innovation was the Guest of Honour

The MSC Malaysia Asia Pacific ICT Awards ("MSC Malaysia APICTA"), under the patronage of the Prime Minister of Malaysia, provides a platform to stimulate creativity, innovation and

excellence in ICT in Malaysia, benchmark Malaysian ICT products and solutions, and to recognise outstanding achievements in ICT of students, technopreneurs, small and medium enterprises and organisations with operations in Malaysia.
